What's New?

The boxes have been arriving with some wonderful new supplies. We have linens, cotton and linen blends, cottons and still more is expected to arrive very shortly. The colors are amazing and the texture is light and drapery.

From Classic Elite we have two yarns that are blends in a semi solid and a very complimentary variegated. These yarns are a perfect DK weight and will work well for shawls, shells and little cover up type tops. We should have a couple more yarns in from Classic Elite any day now.

With the weather changing for the better now is the perfect time to look at the pretty colors of Spring and think about brightening up our wardrobe.

I am sure you have all had an email from Churchmouse with their latest five designs. We have them all available in hard copy or you can get your Ravelry copy through us also. We really enjoy these patterns, they are classic, elegant and so wearable.

The latest Rowan Magazine, No. 61 is probably one of the best issues they have put out in a long time. There are items for children included as well as some very attractive patterns for the man in your life. We are already on our 2nd order of these delightful Magazines.

Deanna's Needle Pockets

Deanna will be back in the shop on May 6th with her latest in needle pockets. This is a fabulous way to store your needles. These bags are beautifully made and will last forever. Deanna accepts checks and cash.

Maryland Sheep & Wool Festival May 6th & 7th

We are putting a group together for this show. If you are interested in going with us please let us know by April 8th so that we can make hotel reservations accordingly.

Informal Spin In & Challenge

On April 8th we will be hosting an informal Spin In and we will also be announcing a spinning challenge. If you can't make it to the Spin In but are interested in the challenge please call after the 8th for details.
