### What's New At Dyed In The Wool

We are so excited about the latest offering from Rowan. We love the new Island Blend which is comprised of Falkland Island Fine Merino, Baby Alpaca and Silk in glorious colors. We will be adding Alpaca Soft DK to our regular line up, soft neutrals, brilliant jewel tones and some deep darks. The pattern books from Rowan are sensational, I am also knitting up a sample of a gorgeous cabled scarf by Lisa Richardson in Moordale, it's so much fun to knit.

The Minimal Sweater from the Cover of the Rowan Magazine #65 is almost finished. Sleeves to be set and then just finishing off those ends.

The wonderful Carol Feller summer KAL is complete and it looks and feels wonderful in Rylie. I had forgotten how much I really liked this yarn.

After meeting Alexandra and seeing the results of her amazing dye works in her fingering weight yarn blends and her roving we fell in love. Head over heels! There was an amazing Poncho on her booth called "Take the Chill Off" and it was made up in her Dark Side of the Moon Fingering. Alexandra showed this in both the light and dark variations.

### Steel Valley Yarn Crawl

The Steel Valley Yarn Crawl begins on August 2nd and runs through the 11th. We will not be open on the 11th our Crawl opportunity will end on the 10th at 4pm. If you don't have your bag already don't wait too long we have a few still available.

### Knit, Spin, Weave or Crochet

In July we will have many KSWC opportunities. Please check the calendar for more details. This is an ideal time to work those tedious finishing details - it goes so much faster when you are talking to friends.

### Raglans for Everyone

Learn a new cast on with a twist while making this seamless top down raglan in a large variety of sizes from toddler up to a large variety of adult sizes. This sweater is gender inclusive so make it for yourself or someone you love. I should have this sweater ready to try on very shortly. Last night I split the sleeves from the body so it is progressing nicely.

### Intarsia Anyone?

Learn this interesting technique while making a small but ideal Hostess Gift. Who doesn't need one of those on occasion. This is a first of two classes where we will delve into this interesting colorwork technique.

### Brit Spin

We are putting our team together. Please get in touch if you would like to be a part of our spinning team during October. This is a four day event from October 9th through October 13th. Our Captain will be Teresa and I am sure that there will be a few team building experiences and maybe tea and scones if we request (no whining) them. Teresa can be reached here most Wednesdays or on Ravelry, sending a message to Taylortm44.

### Make It Simple

Lynda's final "Make It Simple" knit will be a Fall favorite shawllette pattern. This pattern is done on stocking stitch with a built in leaf border. This shawl will be knitted in a worsted weight and it will be the one you grab for cool morning and evening chills.

### Wine & Design

Our Wine & Design in July is approaching fast and we are already taking reservations for August. This will be another interesting evening and maybe even educational, maybe not. Sign up and see!
