A wool shop and place to knit, spin, weave and crochet

August 2017

Store Hours:

Tues., Wed. & Thurs: 10am - 7pm
Fri. & Sat: 10am - 4pm

Special Yarn Crawl Hours

July 30th & 31st we are open from Noon until 4pm.

What's New?

We have lots of new yarns, pattern books, beads and more arriving all the time.

The Carol Feller Nua Collection books have arrived and they are wonderful. We already have a couple of classes on the schedule using Carol's book and her sensational Nua Yarn.

You will see the Finglas Wristers on the calendar for the 12th of August. There will be homework for this class.

If you are thinking about making the beautiful Ravi Nua we will be taking your color requests until the middle of August and placing our order so that we can start in September.

We have a few more Knit Out Boxes from Lantern Moon in stock and also a few Maya Bags. There are some beautiful baby hat kits in from Classic Elite along with Ablets to help you count your rows.

We are really looking forward to getting out Rowan order as we will have the super Valley Tweed and the latest magazine along with other treats.

July Wine & Design - July 26th

We are going to put the spotlight on You for this month. Bring in or wear something you are proud of (children excluded) or something that was a challenge that you would like to share. We can't wait to see what you bring!

Steel Valley Yarn Crawl

The Steel Valley Yarn Crawl begins this Friday and runs through August 6th. We will have extended hours on July 30th & 31st but will not be open on the final Sunday.

Informal Spin In & Challenge

The Challenge was issued and everyone did an exceptional job of their spinning. We will have photographs on the website for you to enjoy. Now they are going to have to figure out what to make with their very special yarn.

There will also be a Spinners Get Together on the 5th of August. Check the calendar for details.

Classes

Finglas Wristers

We have both fallen head over heels in love with Carol Feller's Nua yarn. These fingerless gloves are perfect. They are warm to wear and really soft to the touch. There will be homework for this class so don't wait too long to get your color and your gauge.

Jelly Roll Socks by Mara Catherine Bryner

Choose two contrasting colors of sock yarn, work up your gauge and do the homework and you will be all set to make these fun little anklets. They are so much fun to make that I think they are going to be Christmas Gifts for the caregivers in Kentucky this year.

Knit, Spin, Weave or Crochet

We will be hosting several throughout the summer check the calendar for details.

Don't forget to check the Ravelry Forum for Spot Sales!
