### What's New?

We have some wonderful new kits for the Blackness Shawl. Mira sent us beautiful shades of LaJolla and we have put together some amazing gradient kits and some surprising color combinations. As always we are happy to have our LaJolla fully stocked. We have seen the next color of the month and love it. We have 20 skeins, need I say more.

A large box has arrived from Mountain Meadow Wool and it has 2lbs of rambouillet in cream, 2lbs in light gray and also 2lbs of a 50/50 merino and alpaca blend in a light beige. Also for our spinners we have more roving in from Fox and Hounds Farm. A last of the lambswool and some very soft merino.

### Christmas Surprise 2017

With gift giving fast approaching we are happy to announce that we will once again be hosting our Christmas Surprise. Those of you who have participated in the past know that you need to have your yarn purchased and wound and have your name on the list. I take that list and email everyone on it a new pattern to begin knitting Christmas night so that you can enjoy our gift to you of relaxation.

### Gift Ideas

The Foundations patterns from Fibre Company make wonderful and relatively easy Christmas gifts. We have two of the four patterns knitted up and they are so soft. This is a delightful yarn to work in and the colors are so rich. It's hard to pick just one.

Another great and quick gift is the Quick Slip Cowl from Ravelry along with a skein of Breathless Cush. Give it as a skein and a pattern to a fellow knitter or make it for someone on your list.

Arriving soon from Della Q are more of the Sock Needle Keepers. We haven't been able to keep them in stock but expect a delivery just after Thanksgiving.

We have a limited number of Walnut Needles from Brittany with elaborate finials. They are 10" straights and range in sizes from 3 to 8 US.

### Get It Done with Knit, Spin, Weave or Crochet

We have set aside some Wednesday and Saturday afternoons for you to get together with your friends and complete those last minute gifts. We won't tell anyone if you switch your cell phones off and enjoy a spot of tranquility.

### Spinzilla 2017

Our Spinzilla Team Captain will be hosting an after party at Dyed In The Wool on December 9th from 4pm until 6pm. Please rsvp either by email to Teresa or on the Dyed In The Wool Forum. All spinners are welcome.

### Hinterland Fairisle Hat

I will be teaching the Hinterland Fairisle Hat on December 2nd. The pattern is available as an "in store" purchase from Ravelry and I used two colors of West Yorkshire Spinners Illustrious. There will be homework.

### Sale Event

We will be having a small sale on Black Friday and a larger sale on Small Business Saturday. We hope you will join us.
