What's New At Dyed In The Wool

We have a store copy for all the new Rowan Books as well as the Rowan Books themselves. If you would like to see our copies and maybe you would just like a pattern instead of the whole book then let us know. Many are available as Ravelry In Store Purchases.

The ultimate in luxurious yarn is Rowan's Cashmere Tweed. We will have samples of all the colors here for you to fall in love with.

We are delighted to announce that Dyed In The Wool has been granted Flagship Store status from Rowan. That means that we will have a lot of Rowan yarn for you to choose from and we will be hosting some very special Rowan Events throughout the year.

Carol will also be focusing on techniques used in the Rowan Books to help you understand in a small form before you jump into that large Rowan project.

What can be better than Rowan Yarn, a Rowan Project Bag and Three Balls of Rowan's Alpaca Classic? Read on and find out.

Carol will be starting with the Mayfield Scarf. Choose from Rowan's amazingly soft Alpaca Classic. This gorgeous scarf from Lisa Richardson is a miniature version of her stunning Mayfield Wrap from the latest Rowan Magazine.

Coming Events

We are currently working with Michael DelVeccio to create a Rowan day in January. He will be presenting the latest yarn from Rowan and so much more. We are hoping to be able to schedule this on a Wednesday afternoon through early evening. Hope you can attend.

Housekeeping

It is getting close to the time of year when we can expect "weather" in this area. If we have to close or change our hours we will be posting them on our Facebook page and on our Ravelry Forum. We do live in Pittsburgh and have to expect hour to hour weather changes.

Knit, Spin, Weave or Crochet

Join us during December to get those last minute gifts or just to finish your projects. We have put a few of these sessions in for December where you can have fun as you finish.

We Ran Out Early!

We sold out of our November Color of the Month from Baah within days of its arrival. If you are collecting the LaJolla Color of the Month don't wait too long, just saying!

Get Ready For Classes in January

Beginners Socks

We will be taking our annual journey into the world of socks. You will learn the anatomy of a sock and we will break down everything you need to know to be successful with socks. If you sign up and purchase your sock class between December 4th and December 21st you will receive a discount on your favorite sock yarn (or yarns if you are ambitious).

Pioni Jacket

The beautiful Pioni jacket is blocking right now. Stop in after the beginning of December and try it on. The construction of this jacket is really unusual and Carol has broken it down into small pieces that make it less intimidating. There are cables with patterns, knitting in the round and Brioche. We are also offering a discount on your yarn when you sign up for the January Pioni Jacket class between December 4th and 21st.
