### What's New?

We have more Crickets and Flip Looms and Ladybug spinning wheels in from Schacht. There will be weaving kits arriving that have everything you need to get started on a wonderful project.

We have new colors in Vintage from Berroco, they are deeper, with rich jewel tones. We are expecting more La-Jolla from Baah including some of the favorites from this year's color of the month: Baby It's Cold Outside and Purple Rain to name a couple of them.

### Christmas Surprise 2017

We are finalizing our list for the Christmas Surprise. If you got your yarn and don't receive an email by 8pm on Christmas Night please send me an email and I will respond back to yours with the pattern. Keyboarding is no longer a strength and errors do occur.

### Gift Ideas

We have replenished our stock of Nail Files and Sock Needle Keepers if you are looking for a quick gift. The Sock Needle Keepers are fabulous for keeping our double pointed needles in place when we are working on our projects.

### Spot of Tranquility

With all the rushing around of the Holidays please join us for an oasis of calm during our Knit, Spin, Weave or Crochet times.

### Socks & More Socks

January has always been Beginners Socks at Dyed In The Wool. This year is no exception. If you are signed up make sure that you have your yarn wound and ready to go by January 6th at Noon. We will be learning the anatomy of the sock during each Saturday in January.

In February we will be hosting a more challenging sock class. Will it be cables, fairisle or something else entirely? Carol is choosing her yarn this week for the February sock so if you have anything you want to tell or suggest to her, now is the time.

### Naming Competition

Carol has designed a simple shawlette using the Mountain Colors Twizzlefoot Mini Packs. She does not have a name for this shawl yet. If you have purchased a Twizzlefoot Mini Pack and have the pattern and want to name this shawlette let us know by the end of the year. If your suggestion is used there will be a prize awarded to you. Put your thinking caps on, knit and be inspired.

### Knit Your Spin

On January 13th we will be hosting a knitting class for our handspinners. Sign up and bring your handspan that you don't know what to do with, a selection of needles and an open mind. We will be exploring the possibilities and turning them into realities.

### Anniversary

We can't believe that it has been 14 years since Dyed In The Wool opened. We have shared joys and sorrows together and would like to thank you for another year of continued friendship and support. We will be hosting our Anniversary Sale on the 22nd.
