20 Years at Dyed In The Wool

As the store's anniversary is on December 22nd I have decided to host a 20th Anniversary party on January 6th at 6pm. If you would like to attend, please send me an email or call the shop and let me know if you will be attending and if you would like to bring a guest.

On December 22nd I will still host the Anniversary Sale between 10am and 4pm. It is really hard to believe that 20 years have gone since I opened the shop. In those 20 years I have met some incredible people and am looking forward to see what the future brings.

Thank you for your support, I couldn't have done this without all of you. Thank you!

What's In Store

When you come in the store in the next week the rounder of samples will be covered and will remain covered until the 22nd when all will be revealed. Under the cover is something new that I am so excited to share with you but I am going to wait for the Anniversary.

There are a few new items from The Knitting Zone and a few more expected shortly. My favorite is the case for circular needles in a beautiful peacock feather pattern. There are also lovely crochet gift sets.

Some lovely shades of Vintage DK have arrived and are perfect for babies and toddlers. It will also work as an accent to the beautiful Vintage DK Handpaint.

There are new colors in New York (which I really love), LaJolla and Shasta that are spectacular. A personal favorite in LaJolla was December 2023 with its rich magenta, a touch of orange and a speck of red. Really lovely!

Last Week for Christmas Surprise(s)

Don't forget to get your yarn and sign up for the Christmas Surprise. Will you choose a scarf or a cowl? Go for an easy project or a slightly harder one? Last day to sign up is Saturday, December 23rd.

Socks!

The January Sock Class is filling up. This is one of my favorite classes as we break down the sock into small parts and tackle each one together. Sock class begins on Saturday, January 6th at 3pm.

Wine, Design & A Bah Mystery Box!

I am really excited about this Mystery Box from Mira. It has a new yarn that I am head over heels in love with. Yes, I got a preview and I am knitting a sample shawl with it. The colors are gorgeous and the texture, well, I can't say any more. If you want to know more sign up for the event on Wednesday, January 10th.

Unravelling Ravelry via Zoom

If you are new to Ravelry or just want to know more about how to navigate then join me for a Zoom class on January 14th between 2pm and 4pm. I will cover the basics as well as answer
