## June 2018

### Store Hours:

Tues., Wed. & Thurs: 10am - 7pm  
Fri. & Sat: 10am - 4pm

Please note that we will be closed on Saturday, June 16th so that Lynda and I can buy more yarn for you to enjoy.

### What's New for our Spinners?

We have received a wonderful flock of spindles from Ed and Wanda Jenkins. If you are in need of a Swan, Aegean, Finch, Kuchulu, Egret or Delight spindles we have some beauties in stock. Come and try one.

### What's New?

We have brought in a selection of shawl kits from Classic Elite in a nice variety of colors. In each shawl kit pack there are six different types of yarn with patterns that you can knit or crochet to make a fun accessory for summer.

We are expecting our latest BC Garn yarn to arrive shortly from Kelbourne. This yarn comes in a very large color selection and will be fabulous for color work. I couldn't decide and Lynda wasn't there to stop me so I brought in every color available.

Just in from Peru is a beautiful new yarn from a newly established company called Pichinku. They specialize in Peruvian yarn that is botanically dyed by women artisans in Cusco. They don't use chemicals just botanicals that are seasonally grown. If you see a color don't wait as that color may never happen again. Tawa (pronounced tah-wah) is a fingering to sport weight combination of 70% merino and 30% mulberry silk. With 436 yards in a skein it will make a lovely one ball shawl, scarf or other accessory.

### Steel Valley Yarn Crawl

Our Steel Valley Yarn Crawl Bags will be going on sale on June 1st. This year's bag is a project bag that is delightful. Just perfect for bringing your sock or shawl work with you on a day out. This bag is the cutest bag yet do don't wait too long to get yours.

### Wine & Design - May 30th

Join us as we open the box on the Andorra Trunk Show from Kelbourne Woolens. Lynda has seen what is in the box but at the time of writing this I haven't seen it yet. Maybe I will wait so I can be surprised too!

We are asking that if you plan to join us for a Wine & Design you make a reservation. If you can't make it after you have signed up please call ahead so that someone can take your place from our waiting list.

Details of our June Wine & Design will be on the Ravelry Forum and our Facebook page shortly. We are waiting on a confirmation for a guest speaker.

### Field of Flowers Shawl

This is a beautiful shawl designed by Evelyn Clark and is fun to make. We have some print patterns available as well as an in-store Ravelry purchase option. Choose your yarn and get your gauges done prior to class.

### Intarsia Washcloth

If you have wanted to learn Intarsia (color blocking) this would be a perfect class. We have designed this washcloth to make it easy and stressless. We are going to be using Maggi's Rag which is a frayed ribbon and very forgiving on all tension indiscretions.
