What's New for our Spinners?

This year we are putting a team together to compete in BritSpin. It is a 4 day competition that takes place in October. Please let me know if you are interested in becoming a team member. Once we have our team we can start to plan some fun activities to get us (and our spindles or wheels) in shape. We can also have a theme for our team. If you have any ideas please pass them on to either Lynda, Teresa or me. Happy spinning!

What's New?

I have seen the latest from Rowan and it is worth the wait. We hope to have many of the new Rowan yarns and colors in stock by the beginning of August. This is another exciting collection of designs that is not going to disappoint.

Steel Valley Yarn Crawl

Our Steel Valley Yarn Crawl Bags will be going on sale on shortly. We will be posting more details on our Ravelry Forum and also on our Facebook Page.

Wine & Design - May 29th

Join us as we open the Wine & Designs season with an evening of fun. We will be hosting a Social starting at 7:30pm and we will have a few surprises. Don't forget to register (so we don't run short of wine).

Details of our June Wine & Design will be on the Ravelry Forum and our Facebook page shortly. We are waiting on a confirmation for a guest speaker.

Echoes of Heather & Stone

If you haven't already seen the Echoes of Heather & Stone Trunk Show it will be here for another few days. All the garments are made in Carol Feller's delightful Nua yarn. It will be hard for us to package it and send it on.

Lynda's Make It Simple Corner

The June knit is a cowl with a twist! Or does it just appear that way? This pattern is a repetitive sequence that can be done without a pattern sheet in front of you. A great travel companion for the road.

Sizzling Hot Summer Sale

Welcome summer and all the wonderful weather it brings. We have enjoyed some fabulous Trunk Shows and informal gatherings with our sale reps that have enlightened and inspired us as to what is coming for the Fall. Now is the time to take those ideas into making them. Look through your books and plan your summer knitting. **Join us on Saturday, June 15th for a Sizzling Hot Summer Sale between Noon and 4pm only!**

Moordale Knit

If you would like to knit one of the excellent patterns from the Moordale book, here is what you need to do. You need to pick your pattern (if you don't have the book already) and buy your yarn, work your gauge and join us on the 29th at 2pm. When you reserve your spot please indicate the pattern that you want to make. Space is limited.
