Important Store Hours in May

The shop will be open from 10am until 1pm on April 30th, May 1st, 2nd and 3rd for Knit, Spin, Weave or Crochet. Join Meghan and enjoy the space to relax and meet up with friends old and new.

Regular hours will return on May 4th. I will be going to market to buy some gorgeous fall and winter yarns. I am really excited to see what the vendors have in mind for the coming seasons.

What's New

Lang has sent the most wonderful cotton in soft color variations. The pattern book unfortunately still hasn't arrived but I hope to have it soon. This is another worsted weight cotton that is super soft and light as a feather.

Just in time for Mothers' Day there is a fabulous new crochet hook set that comes with 7 copper colored hooks set into a nice wood handle. There are pretty accessories too. A lovely carry along item for the crocheter in your life, even if it is you!

LYS Day wouldn't be complete without a lovely new color from Mira at Baah Yarns. Can't wait to show it to you on Saturday.

Knit, Spin, Weave or Crochet

Join Meghan to Knit, Spin, Weave or Crochet. The space is yours on April 30th, May 1st, 2nd and 3rd to enjoy. There will be no classes on these days.

LYS Day

April 27th is LYS Day and there will be a few surprises including a new color and pattern from Baah Yarns. The Fibre Company are offering a free sweater pattern with a purchase of any Fibre Company Yarn. Berroco have a knit or crochet pattern available with yarn purchase. I will have three new patterns available that day, a scarf/cowl, socks and wristers. There will also be a Scavenger Hunt Sale.

Tunisian Crochet for A Shawl

The Tunisian Crochet Class is going strong and Kelly is looking forward to seeing all the lovely shawls at the end of this session of classes. Exciting to see which yarn people are going to select.

Aranami Shawl

Due to a conflict for a few people who also wanted to take Kelly's Tunisian class I have postponed this lovely shawl until May 11th. I love the Urth Yarns 16 for this project and there are still amazing colors for you to choose from.

Crochet, Basics & Beyond!

Join Kelly as she takes beginners through the basics but if you have a "beyond" question let me know when you sign up.

Want to See if Weaving is For You

Teresa offers a fun three week weaving class that will give you a chance to weave, set up a loom and plan a project using our equipment. This will give you a chance to see if weaving is right for you.
