What's New?

We are expecting a wonderful new yarn from South America. This is a merino silk blend that comes in a large variety of colors. We were hoping to have it for LYS day but as you can see we are still waiting. Really excited to add this fabulous yarn to our shelves.

Our March and April La Jolla colors of the month are spectacular and we have a few skeins left. These colors work beautifully with the February color for a pretty playful shawl.

The Manos Silk Blend comes in a large selection of deep, rich colors in a semi-solid or variegated. It will make a nice shawl, cowl or scarf and of course the Churchmouse Welled Wristers were made in this yarn. Plenty of colors to mix and match.

After the Knitters Delight show in Salem, Ohio we will have a wonderful yarn from Blue Heron in the shop. Blue Heron's Rayon Metallic has a very soft drape that is perfect for making shawls, scarves or even a little summer top. The amazing part of this yarn is that the metallic thread that runs through it is not at all scratchy as some of those blends tend to be. Many colors but limited quantities!

LYS Day

Lynda and I would like to thank all of you who made LYS Day very special. It is because of you that we love what we do. Laura Nelkin's Adventura Shawl was very popular and we are really looking forward to seeing all those color combinations knitted up.

Knitters Delight

If you have a chance to take a road trip on Saturday, April 28th please think about heading to Salem, Ohio to join us for the one day show: Knitters Delight. Teresa and I will be working our booth at the show and visiting with the other vendors. Not as large as Knitters Fantasy....yet!

Master Class 101

The Master Class will continue on May 12th at 2pm. Bring your work and let's talk about the next stage.

Rock Street Tee

The Rock Street Tee also continues on May 12th at Noon. We will be starting another Rock Street Tee on a Tuesday evening to be determined. If you are interested please let us know.

Laura Bryant's Drop Stitch Scarf

On May 26th we will be hosting a fun class working with Blue Heron's Rayon Metallic and Laura Bryant's Drop Stitch Scarf pattern with my adaptations and cheat sheet. A fun knit and even more fun to wear.

Knit, Spin, Weave or Crochet

Join us to Knit, Spin, Weave or Crochet among friends on May 5th, and May 19th from 1pm until closing.

Ravelry Patterns That Caught Our Eye

It will surprise no one that two of our favorite finds on Ravelry this month are both from Churchmouse Yarn & Teas. The first is the Softyak Slouch Hat made in Softyak of course. The second is the Blackberry Kerchief in dreamy Kidsilk Haze. These are both free patterns.
