What's New?

Last year we worked the wonderful Quick Slip Cowl with a super soft hand dyed yarn from Shalimar called Breathless Cush. We just got a shipment of Breathless Cush in and the colors are spectacular. This will be our shipment of this yarn for the year so if you want the best selection don't wait too long. Also from Shalimar we have a beautiful selection of Aerie. I used this yarn for my Rum and Cola and am looking forward to working with it again.

We have a large box from Manos which includes the brilliant colors of the semi solid Silk Blend and the newest colors of Milo. Milo and Silk Blend are wonderful DK weight yarns. Silk Blend was used by Churchmouse for their Welted Wristers and Milo was what I used for the Churchmouse Sleeveless Slipover.

From West Yorkshire Spinners we have Illustrious in heavenly naturals. The same quality as their dyed Illustrious in soft browns and taupes.

Two new colors of Rascals have arrived and are waiting for you to turn them into something soft, machine washable and perfect for that child in your life.

From Fibre Company we will be announcing the arrival of their Foundations patterns at the Wine & Design in October. The patterns feature Road to China Light and are made with one or two skeins of this exceptionally soft yarn.

We have a limited number of Walnut Needles from Brittany with elaborate finials. They are 10" straights and range in sizes from 3 to 8 US.

October Wine & Design - 25th at 7:30pm

Ready for a trick or treat? Our final Wine & Design of the season is here and we will be ending with our Halloween Party. There are a couple of spots available and reservations must be in by Tuesday at 4pm.

Spinzilla 2017

Sorry. We still don't have our standings. Hope to let you know on the Forums.

Quick & Fun Christmas Gifts

Every year Lynda and I have come up with quick and easy gifts for you to make for Christmas. Keep watching the Dyed In The Wool Revelry Forum as well as in the store to be notified. We will be adding to our back wall as the ideas become samples.

Classes

Ravi Nua

By Thanksgiving we should be seeing some wonderful and completed sweaters. We are happy to tell you that every color in Carol's collection of Nua has been used at least once. We hope to have some photos to show you soon.

Spinners Afternoon Get Together

We are going to be hosting a Spinners Afternoon on November 11th. Bring your spindle, your wheel and imagination. We will be spinning and discussing ideas for our spun yarn.

Fairisle - The Adventure Continues

Like Cumbria, we do! It makes a great Fairisle Hat and we enjoyed using it in the Branta Hat. Another quick project.
