### What's New At Dyed In The Wool

New from Lickin' Flames are the wonderful Shawl Spirals. Every one of the new arrivals is one of a kind - which will you choose?

We have fabulous new sock yarns from Urth Yarn. If you like to have exactly matching socks then these little boxes of sock yarn are for you. Glorious colors and fun to knit.

From Manos we have new colors in Maxima, Fino and one of our favorites, Alegria. Maxima is a light chunky/heavy worsted that makes amazing cowls including the Count 2 Five Cowl. Fino is a heavy laceweight yarn that we have loved to use for the Firecracker Shawlette and the beloved Holden. Alegria is a wonderful fingering weight yarn that makes the softest socks but amazing shawlettes, fingerless gloves and so much more!

Carol has knitted the Esk Hause Mitts in the beautiful yarn from Fibre Company called Lore. These are everyday-wear fingerless gloves that will wear well no matter what you are doing - well, within reason! Come in and see our Lore Lookbook from Daphne at the Fibre Company. All the patterns in the book can be sold individually.

### Wine & Design

This month we will be celebrating all things Rowan. Join us on Wednesday, September 26<sup>th</sup> and bring something you made with Rowan Yarn. If you don't have anything come and cheer on those who have. We will also have a special guest with us so don't wait too long to make your reservation.

In October we are going to have our Wine & Design on the 2<sup>nd</sup> last Wednesday of the month so that you can enjoy Halloween with your family. There will be a treat waiting for you!

### Classes

#### Jane Shawl

Carol has rewritten the Jane Shawl to make it seasonal. The Jane in Winter is made in snuggly mohair and large enough to keep you warm in the winter. The Jane in Summer is made of the delightful Faery Wings that make the Summer Jane as light as air. The Jane in Spring & Fall is made of Rowan's Kidsilk Haze and Rowan's Felted Tweed held together. This is a great shawl to learn your short rows.

#### Ashford Demo & A Spin In

Join us as we show off what is new from Ashford and get a hands on experience. We are also going to have our first Spin In of the season. We will have some different fibers for you to try so bring your spindle or your wheels and your sense of adventure.

#### Ease Into Cables with the Ramble Hat

The Ramble Hat is a free pattern from Ravelry courtesy of The Blue Brick. If you are ready to do a cable but aren't sure then this is the class for you. We will be exploring twisted ribbing and cables. There will be homework to be done prior to the class.

#### Twizzle Wristers

We have wonderful Twizzle Perspective kits from the amazing women at Mountain Colors. Each pack contains five colors that work together to make a fabulous colorful wrister. The wristers will have you working all five colors from your pack. There will be homework.

#### S Curve Shawl

This amazing shawl is made with the S Curve Kit from Mountain Colors. Each kit consists of 11 colors of small skeins that make this shawl so much fun to work. It consists of fabulous short rows that really keep your interest (as if the colors alone weren't enough) and Carol has made a few adaptations and of course there will be homework prior to this class.

#### Housekeeping

It is getting close to the time of year when we can expect "weather" in this area. If we have to close or change our hours we will be posting them on our Facebook page and on our Ravelry Forum. You should be checking the Forum as sometimes you will find from patterns that have caught our attention, some of them might be free for a limited time only.
