On A Personal Note

Bob and I would like to thank everyone for their care and concern during the last few months. Your support has kept us strong when dealing with some very difficult family issues. The outpouring of support at John, my Father In Law's passing has helped us immensely. Thank you for the cards, the wishes, thoughts and prayers, they are truly appreciated.

What's New At Dyed In The Wool

We are really excited that the new Rowan Yarn is going to finally get here. The 40th Anniversary Book is one of the best ever. The new yarns are spectacular and the designs are classic but with a twist of whimsy. So Rowan. We will be hosting our Rowan Anniversary Party on September 8th and this will be the beginning of a month long celebration of all things Rowan.

The beautiful Ashford products have started to arrive in the store. We have fiber boxes, a Joy spinning wheel that is a delight and their E Spinner could turn us into demon spinners. We will be having a Get To Know Ashford Party at the beginning of October but in the meantime come and try some. We are sure you are going to love them as much as we do.

The new Twizzle and Twizzlefoot mini skein packs have arrived. They are gorgeous and the box is filled with great colors, bold to soft and subtle. You choose! The Twizzle Wristers will be on the schedule in the Fall and Carol's Twizzlefoot Triangle makes a great gift.

Steel Valley Yarn Crawl 2018

Thank you all for another successful Steel Valley Yarn Crawl. The winners of the baskets are: Rose B won the Alchemy and Baah Basket. The Gift Certificate was won by Heather V and Michelle F won the Rowan Basket.

Amnesty Afternoon

We know that sometimes during the Yarn Crawl you fall in love with a skein of yarn, buy it, bring it home and say: what can I do with this? We have the solution. Call ahead, bring in that skein or two and let our brains go to work for you. We will help you find a pattern that will take that yarn from pretty to pretty awesome.

August & September Wine & Design

We are delighted to announce that Dana will be with us from Pichinku Yarn for our Wine & Design on August 29th at 7:30pm. Please join us for another special evening, but get your reservations in early as we have limited space.

In September we are inviting you to Show Off Your Rowan. We want to continue the Rowan theme with the focus on Rowan Yarns. If you have made something in Rowan yarn or with a Rowan pattern please bring it to show it off. As always, please make a reservation.

Classes

Birman Shawl

From Carol Feller's Nua Collection Two we have selected the Birman Shawl to be our September Class. This is a really fun shawl to knit and will be a great shawl to wear.

Log Cabin Mitts

The Log Cabin Mitts by Karen Templer are a fun way to create fingerless gloves. You can also keep going with the Log Cabin and make a pillow or something larger. Using a DK weight yarn and three colors this will also be a great project for hand spinners.
