## New Arrivals

We have some amazing colors in Luma which are perfect for the Sea Haven sweater or T shirt but Luma also makes wonderful baby blankets. This fabulous blend of merino, cotton, linen and silk makes it a true 3 season yarn.

From Lang yarns we got in some Celeste and some Linello as well as a few colors of Crealino. Fabulous yarns for summer. I think that the Linello will make a wonderful summer Boomerang with a great selection of colors to choose from. The Celeste is a glittery, thick and thin yarn that might be a little scratchy but when you pair it with a soft mohair it adds something really special to a plain yarn.

## Crochet Is Back!

I am delighted to tell you that our first crochet class in many years will happen on April 15th. Kelly Drum will be our teacher who will walk you through the ever important chain stitch and then onto single crochet as you make a superb and practical washcloth.

Kelly will follow up this class on the 29th of April with an amazing crochet basket. You will learn the magic loop and increasing while working with single crochet and multiple strands of yarn.

## LYS Day - April 29th

I can't believe that it is almost LYS Day. It seems like it was only a few months ago when we were working on the Perfect Pinstripes and the Milo and Colourspun Cowl. Where has the year gone? We will celebrate with some fun happenings throughout the day. I do know that Mira from Baah Yarn has come up with a superb shawl kit in sensational colors. I will be putting together a very simple selection of mix and match washcloths that will make for easy knitting throughout the summer.

## Spin Ins

Our March Spin In will happen on March 25th at 3pm so get your spindles ready and your wheels oiled up. Our April Spin In will happen on Saturday, April 22nd (a little earlier than usual due to LYS Day). Please call ahead so that I can ensure we have enough space available.

## Nibbles & Mitts

I have had so much fun this past week working on patterns that I bought a while ago. For some reason the amazing Cat Bordhi has been on my mind. The knitting community was saddened by the loss of this incredible woman several years ago. Cat saw things a little, no, a lot differently than most of us.

I went down the rabbit hole of these astoundingly gorgeous mitts and although I have made a few pairs, so far I can't figure out how she came up with this idea. In the E-Book (which is available through Dyed In The Wool) there are 17 designs for you to play with.

I thought it would be a good idea to begin with one and have a little something to snack on while we digest the patterns a little at a time. The first session will meet on April 1st and work on the mini mitt which is a fun way to learn the techniques used and will be a useful and attractive Christmas ornament.
