A Little Light Housekeeping

New Markdowns Just Made

Our Semi Annual Clearance Sale continues with new markdowns just made on many yarns. You don't want to wait too long as these beautiful yarns won't stay around at these remarkable prices.

Store Sample Sale

Thank you to those who have purchased some of our store samples. I had no idea how many samples have been made in the last 18 years but needless to say there are many. I will continue to put new samples up as they sell.

Some Very Sad News

I was very sorry to hear that Lorna's Laces has closed permanently. I will miss Amanda and her bright personality and of course her wonderful Lorna's and Mrs. Crosby yarns. I am sure that we all wish Amanda well in whatever comes next for her and her family. I still have some Shepherd Worsted, Solemate, Shepherd Sock, Hat Box and Satchel in stock, until it isn't.

A Social & A Challenge

This coming Saturday, July 24th at 3pm Robyn & Carol from the Saturday morning class will be hosting a social gathering at Dyed In The Wool. At the same time you will be able to observe the Dyed In The Wool Team competing in a Micro Sheep to Shawl. We really welcome cheerleaders as we will be working against the clock to finish in a 2 hour window. So please send an email to reserve a spot for Saturday at 3pm.

Adaptations Class

On the last Saturday of the month we will continue looking at patterns and talking about adapting them. We will be working on yarn calculations as well as stitch changes and so much more.

Anatomy Of Socks

All the Saturdays in August we will be focussed on Socks. Beginners get your dpns ready as this will introduce you to the anatomy of socks. Beginning with gauging in the round to all the different parts of the sock. We will also be talking about proportions (nothing scary, remember I don't do math) and comfort. This is one of my favorite classes to teach and I can't wait to share the magic of socks with you. Reservations are required.

Coming In September

Just a quick word about what to expect in September. Entrelac broken down with a really easy triangular shawl pattern from Berroco. Lovely soft yarn that changes colors for you.
