What's New At Dyed In The Wool

I am expecting some amazing Regia sock yarn to come in right before Thanksgiving. There will be some great holiday colors. For those of you that are looking forward to spring we have some cotton sock yarn that comes in bright spring colors and some wonderful Colour Line sock yarn.

From Fyberspates we will be adding to our Vivacious Sock Yarn just in time for the New Year. We will be getting some new colors of the sensational Scrumptious, Cumulus and Faery Wings just in time for the Christmas Surprises. Yes, there will be more than one option this year and of course you can choose one or more than one. Just buy the yarn and get on the correct list so that your surprise is in your mail box on Christmas Night.

Thank You Bev from Boo Knits

On Saturday November 21st we had the amazing opportunity to meet and talk to Bev, the incredible woman behind Boo Knits. Learning about the designs and some of the names for the shawls was so much fun. While my favorite will always be Morticia, I also love Wintersweet, Ocean Breeze and the beautiful little Mustardseed. We also got a preview of one coming in the New Year. I am already thinking Gleem Lace and beads!

Shopping At Dyed In The Wool

If you need to come in when the shop is quiet I would like to suggest calling for an appointment. This can be before the store opens or sometime during the day when I can allocate dedicated shopping time to you. You can also shop virtually, set up a virtual appointment and tell me what you are interested in looking at and I will Zoom with you with a selection that we can discuss. If you want to attend a class and want to Zoom in you will have to let me know ahead of time so that I can set up and send out an invitation.

Socks In January

It has become a tradition for Beginners Socks to happen in January, however, maybe it is time to break tradition. This January I will be showing off a new sock for the adventurous sock knitter (which was traditionally a February sock). So sock knitters get your sock yarn ready. We will be looking at LaJolla, Vivacious, Smooshy or Breathless, or any yarn that will give 8sts to the inch.

Beginners Socks

The January tradition will continue but not in 2021. In the coming year I will be hosting the Beginners Sock class when we can get together in person and really enjoy the sock experience. I can also set up private groups of four or less for a sock session but it will be in person only and not available as a class on Zoom.

Social Knitting Via Zoom

I will be offering Zoom Social Knitting at any time on the Friday and Saturday after Thanksgiving, and Thursdays and Saturdays at 3pm in December. You just need to let me know that you want to participate and I will send you an invitation. You never know who you might meet but it should be a lot of fun.

Christmas Surprises

This year I will be offering several Christmas Surprises. There will be an easy cowl knitted in the luxurious Faery Wings. Fun and easy for everyone. Fyberspates are helping me put colors of Scrumptious and Cumulus together for another delicious surprise and there may be some Fairisle in the option list as well. Details coming soon, check on Ravelry in early December. You can sign up for any or all, just make sure you are on one of my lists before Christmas Eve so that your surprise will arrive in your email box.
