Christmas Holiday Hours

I will be closed on December 24th and 31st.

Anniversary Sale

I can't believe that it has been several years since I opened in 2003 and this year as with all others there will be an Anniversary Sale on December 22nd. Thank you to all who have supported me throughout these years.

On The Move!

I am delighted and excited that I am going to be having my warehouse and shop next to each other starting on December 1st. That means that during the first part of December there will be a lot of chaos, but this is going to be a great change. Not only will there be better access to my yarn but there will be a dedicated space for spinning and weaving.

Christmas Surprise

There will be three different Christmas Surprises again this year. Island Blend will make a wonderful beaded cowl. There will be simple scarf/cowl in Brushed Fleece and a more difficult lace scarf in Canopy Light. You need to get your email on the correct list and choose your favorite color then wait for Christmas night when you will get your new pattern.

Price Increase for Individual Classes

Unfortunately, I am going to have to put up my class prices beginning in January. However, I have an option available for those who take regular classes.

However, if you purchase a monthly subscription you will get your four classes per month at the 2022 prices and if there is a fifth class in the month that is a free bonus. If you are going to miss a week or so you can make that class up any time during your subscription month. Just get your subscription at the end of the previous month and save a little.

Two Events - One Weekend

Women for HOPE

What a wonderful cause and a wonderful evening. Thank you to the amazing volunteers and to those of you who came out in not so great weather to support HOPE. More details and pictures can be found on our website.

Fall Fiber Festival

We had a fabulous day of spinning and weaving at the House at Evergreen Park. It is an amazing facility with plenty of light to help us spin and weave. We had people from the community join us and enjoy seeing what we do, maybe we will have some future spinners and weavers.

Socks In January

In 2023 I have decided that it is time to get back in to a normal routine and that means that for four weeks in January we will be focusing on socks! Sign up early as this class will be limited.
