Dyed In The Wool Celebrates!

Dyed In The Wool will be celebrating its 21st Birthday on December 22nd. As this is a Sunday I have decided to begin the party a day early on the 21st and stay home and relax on the 22nd. Please join me on the 21st for a Happy Birthday party and a special sale. This is also the last day to shop before Christmas.

Advent Box Parties

I would like to welcome all of you who bought an Advent Box from Peach and Purl to join Naomi and me on Saturdays in December at 3pm. Share your pattern selection and let's knit, crochet or weave our Advent Boxes into something special. On the 28th we will show off our hopefully finished projects. I am really excited to see everyone's progress.

Naomi and I ask that if you are one of those who open all the packages ahead of the day please only bring the colors/packages that are no later than the date of the party. For example at the first party on the 7th do not bring any open yarn packages beyond 7, etc.

Black Friday

I will be open on Black Friday and the classes will remain as any other Friday.

Small Business Saturday

I am hoping you will join me between 10am and 3pm to celebrate my small business. I will have a few specials to share with you as well as some surprising discounts. As always, I will be deciding what will be on sale on Friday the 27th after the store closes.

Christmas Surprises

This year I have a few Christmas Surprises for you.

1. There will be a cabled scarf in an aran weight yarn and a larger needle. I used ReTreat.
2. A textured cowl in a worsted weight yarn. I used Shasta.
3. Textured fingerless gloves in a DK weight yarn. I used Renew by Berroco

2025 Classes

I can't believe that I am already talking to you about 2025 classes but I am. It doesn't seem that long ago that I was teaching my sock class in 2024.

Anyway, socks are always a favorite class in January. Sign up early and make sure that you get your sock yarn in 2024 so that I can have the yarn wound and ready to go on January 4th. There will be a small amount of homework ahead of this class. This will be a four week class so make sure that your Saturdays at 3pm are open.

For the Crocheters

Kelly will be holding limited classes in December. As always, don't forget to let us know no later than Thursday morning if you will be attending that Saturday's class. Learn to crochet, improve your technique or learn something new, try some Tunisian or a new lace stitch

Now Is A Great Time To Weave

Is weaving right for you? Try a three session weaving class with Teresa and find out. Schedule your classes and we will get a loom ready for you to sit down and begin weaving. Already weave, brush up on some finer details or try something new.

Ashford Spinning & Weaving

There are fabulous Wheels and Looms from Ashford in stock. Not sure which one you want, call ahead and I will have that equipment ready for you to sample.

BAM Fiber Tools

If you want the best fiber processing equipment I have a wonderful selection of hackles and combs from BAM

Spinning & Felting Fiber

Don't forget that there are always amazing fibers for our spinners. Silks, blends, corriedale, merino, lambswool, hand dyed and naturals. These fibers are also very good for needle felting.
