A Heartfelt Thank You

It is hard to believe that 2020 is almost over and I can't say that I will miss it. 2020 was a year of challenges for us all. It started like any other year but soon became apparent that this would be a year like none we have ever experienced before and I hope none that we will ever experience again.

We had the benefit of Zoom and FaceTime to keep us connected while amazing it didn't replace the need to be together. So at Hogmany (New Year's) let's bid a hasty farewell to 2020 and welcome 2021 with open arms and hope that we can see togetherness in our future.

I would like to thank all of you who have stood by Dyed In The Wool during the last nine months and kept us going. I am delighted to have completed a 17th year and hope that we will have many more to come. Without your generosity and support I would not have been able to continue and can't thank you enough.

Special Holiday Hours

I will be taking some time off between Christmas and New Year. I will be closed both the Saturday after Christmas and also the Saturday after the New Year. Stay safe everyone.

New Friends

With the challenges that we faced we also made a few new friends. We were able to have morning coffee with the incomparable Lisa Richardson from Rowan, the brilliant Bev who is Boo Knits and an afternoon tea with the creative Amanda from Lorna's Laces and Mrs Crosby.

In 2021 we will be inviting Bev back so that we can show off our Colour Me shawls. The Colour Me shawl is a Christmas mystery and one clue will be given out for 12 days beginning at Christmas. It's not too late to join in!

Carol Feller will be joining us at the end of January for a coffee and chat. Carol is another amazing designer, this time from Cork in Ireland. Carol has so many amazing patterns it was hard to choose what our KAL would be in February. I asked a question on Ravelry and was amazed at the response. So many of Carol's designs were noted. The top three sweater choices were: Dacite, Korat and Transome. The top accessory choice was the Twining Wrap. If you would like to participate in these KALs please let me know and make your color choice as the deadline for ordering will be January 16th.

January has always been the beginner sock class at Dyed In The Wool with an advanced sock being taught in February. However, I have decided to move the February advanced sock into the January position this year and will look forward to teaching the beginner sock when we call all be together. If you don't have your homework before New Year let me know.

Don't forget to sign up for the Zoom Classes and coffee with Carol Feller. If you would like to join your regular class but need to join via Zoom, again please let me know ahead of time so that I can get an invitation out to you in advance.

Again, thank you for the amazing support you have shown this past year. I can honestly say that I couldn't have done it without you but I am going to say that I wouldn't have wanted to do it without each and every one of you. Thank you.
