Friday:	10am - 4pm
Saturday:	10am - 3pm

### Christmas Holiday Hours

I will be closed on December 24th and 31st.

### Anniversary Sale

At this time I would like to thank all of you who have supported me through 19 years at Dyed In The Wool. On Wednesday, December 21st I will close out the 19th year and begin the 20th year on Thursday. I think that means a celebratory sale! Thank you all for the amazing 19 years of friendship.

It has been fifty something years since I received my little yarn basket and two small needles what were perfect for small hands. I remember the wonderful colors and textures in the basket and couldn't wait to learn so that I could experience them all. I didn't know that put-on on that first stitch would lead to frustration, determination, perseverance, perfection, destruction, more frustration, creation, diversion, solace and patience. Did I mention tears? Oh yes, there were tears. So many emotions tied into a tiny ball of yarn and a couple of needles. I am sure that my Great Aunts never imagined that their small gift of needles and a little basket would turn into one of the many blessings in my life. It has helped me through all the tough times, the happy times and led me to all

of you. I am so thankful today for that amazing gift from two very patient ladies.

Year 20 is going to be absolutely wonderful and I have a new location to settle in to. I have moved one door to the left and the landlord has done a truly fabulous job to make this space welcoming and especially bright. The move happened at the beginning of December but I am still getting used to my new space. I hope that you will come and see the new space and enjoy it too! In my old space I am going to create a warehouse area and spinning and weaving center but that will take some time.

I would like to wish everyone a Merry Christmas and a Happy New year.

### Price Increase for Individual Classes

Unfortunately, I am going to have to put up my class prices beginning in January. However, I have an option available for those who take regular classes. If you purchase a monthly subscription you will get your four classes per month at the 2022 prices and if there is a fifth class in the month that is a free bonus. If you are going to miss a week or so you can make that class up any time during your subscription month. Just get your subscription at the end of the previous month and save.

### Sock Knitting is Back in January

If you haven't made a sock before then this is for you. If you have made socks and want to brush up on your techniques, then this class is also for you. Join me every Saturday in January and you will learn the anatomy of socks. Call me to reserve a space, choose your yarn and you are all set for an adventure!

### Save The Date!

February 11th is the date set for the Berroco Spring/Summer Yarn Sampling. I have seen the new collection and it is truly fabulous. There is something for everyone. Space is limited so please call to reserve your seat.

Visit Us Online at [www.ditwpa.com](http://www.ditwpa.com)

### **Spin In**

Unfortunately due to scheduling difficulties there will not be a January Spin In. However, I have put one on the calendar for February 4th and then there will be one on the 25th to get us back on track. I am so looking forward to having you spin in the new location.

### **Schacht Spinning Accessory Sale**

I have some Ladybug bobbins, drive bands, etc. that will be on sale, while supplies last, throughout January.

### **Advanced Sock**

There will be an advanced sock class in February. The sock will be made from Amble in one color, unless you want to get very creative! It will have a clock and maybe some ribbing. This is going to be fun!
