A wool shop and place to knit, spin, weave and crochet

July 2021

Store Hours:

Tues. through Fri: 10am - 4pm
Saturday: 10am - 3pm

Two Hour classes return to Dyed In The Wool beginning on Thursday, July 1st. So looking forward to this.

A Little Light Housekeeping

Dyed In The Wool will now be mask optional for the fully vaccinated. If you have not been vaccinated it would be best if you continue to wear a mask in the store. If you are more comfortable wearing a mask please feel free.

Semi-Annual Clearance Sale?

As there are some amazing yarns on the horizon for the Fall/Winter season I thought that it might be time to start a new tradition. I will be hosting my first ever Semi-Annual Clearance Sale with savings of up to 75%. This sale will begin on July 6th and run through the beginning of August with new markdowns taken throughout the sale period.

Store Sample Sale

Also beginning on July 1st we will have many of our store samples on sale. We have accumulated a great many samples over the years and now have to make room for our new ones. Please feel free to share this information with all your non knitting friends. As samples sell check back to see what has replaced them as we will be replenishing weekly.

I am really excited about socks! First of all, the wonderful Christmas Sock Yarn from West Yorkshire Spinners has arrived. I do have limited quantities but it is here and really lovely. There is also an abundance of Regia in self striping and Fairisle patterning sock yarn. Perfect for the beginning sock knitter and fun for the experienced knitter too. It has been over a year since I last taught a beginners sock and I can't wait to enjoy the fun in August when I will be hosting my Begin Knitting Socks. This is probably one of my favorite classes to teach as I get to see so many wonderful socks emerge in a large variety of yarns.

Also talking of socks we have all the colors of Amble Sock Yarn from The Fibre Company as well as 10 colors of mini skeins. With the mini's you will be able to change out the cuff, heel and toe or put in your favorite Fairisle design around the cuff or wherever. Such a squishy yarn and it is delight to knit with.

Adaptations Class

On the 2nd Saturday in July I welcome you to join me as we explore how to adapt patterns to work with the yarn you have on hand. This will be a mainly theoretical class with some fun pattern ideas and yarns to play with. There will be homework.

Knit, Spin, Weave or Crochet

On Wednesday afternoons all are welcome to come and use the space to knit, spin, weave or crochet or simply enjoy the company of others.
