What's In & Expected

You will have seen the hours are a little different on the 22nd - 24th of June. I will be attending the H&H Show in Chicago so there will be no classes but lots of social fibery activity going on. Leslie & Kathleen will be there to help you with yarn selection.

A beautiful basket and box of LaJolla arrived and they are filled with summer. The basket features sunny yellows, greens and splashes or orange. The box has cool blues, pinks and splashes or coral.

I met with a delightful representative of a Brazilian company and fell in love with their cotton yarns. Can you believe it! It should be arriving in mid to end of July. Really excited.

Store Sample & Rowan Sale

July will host a store sample sale (cash or check only) and a Rowan Yarn & Book Sale. There will be 30% off Rowan in stock yarn and 40% off all Rowan Books.

Skimmer Socks

If you have half a ball of sock yarn that you don't know what to do with then make a pair of my newest pattern - the Skimmer Socks. They are like a hug for your feet!

Starfish Washcloth

Want to become familiar with German Short Rows then this is for you. I have a basket of yarn for this project, you have to select your color, sign up and get your homework assignment.

Berroco Yarn Sampling Event

We had so much fun at the last event I am really excited that Berroco are going to do this again. They are putting together mini balls of their newest yarns along with a Lookbook. As there is a limited number available please sign up early.

August Sweater

I was asked to find a good beginner oversized sweater for a class and found the Smokey Graphite pattern. I really like this sweater and can see it being worn in the place of a favorite sweatshirt. Knitted in worsted weight from the top down make it perfect. Please make your yarn selections early as I may have to order your perfect color.
