A wool shop and place to knit, spin, weave and crochet

March 2021

Store Hours:

Tues. through Fri: 10am - 4pm
Saturday: 10am - 3pm

Please note the change in Saturday hours. I will be closing at 3pm so that I can teach 3pm to 4pm classes.

Newest Arrivals

If you like the appearance of fairisle socks without the effort the latest arrival from Regia and Arne & Carlos will delight you. There are two new color ways to choose from. This time they have a lighter background which will make them perfect for Spring.

I have been working away on the Spring/Summer samples for the Rowan collection. I have been enjoying them very much but I can't tell you more until March 13th at 3pm (after closing). Check out the Spring Forward item later in the newsletter.

My Swale sweater is complete and in the store now. I love, love, love this sweater, it has great drape and it so light for being so warm. The oversize style makes it easy to wear with a dress as well as a shirt and a pair of jeans. I have worn this sweater so much over the past two weeks I can see another in my future.

I will be putting a couple of yarns on sale in March. If you enjoyed making the Staghorn Mitts in Cozy Merino I can tell you that this yarn will be reduced from \$17.50 to \$12 and I only have 10 balls remaining. If you are interested call me, send me an email or stop by.

The other yarn this month is the Regia black and gold sock yarn from \$17.50 down to \$10.

Coffee, a Chat and Instruction with Bev from Boo Knits

If you knitted the Colour Me - Twelve Days of Christmas then you need to sign up for the Zoom with Bev on Sunday the 28th of this month. I so look forward to this call when we can talk knitting and so much more. Hope Remains is the Valentine Mystery KAL from Boo Knits and it is *Gorgeous* (yes, I did mean with a capital "G"). I am having a great time knitting it. There is one problem, just as I started knitting two more wonderful patterns from Bev came up - Tinsmith and Beachcomber from a collection called Cornwall Calling. I can't get them out of my mind. While I have many other things to be working on I just think about what yarn will I use for Tinsmith or maybe I should start Beachcomber as I love the two tone effect. So looking forward to chatting with Bev and getting her suggestions.

Spring Forward with Rowan

The original launch date for this collection has been pushed back to the 15th of March. However, as I am closed at 3pm I will be hosting a preview afternoon on the 13th and Rowan has graciously sent some door prizes. There may be some other surprises in store for you too. I can't say too much but I will say that I had a hard time picking which samples to knit (too many favorites) just a little clue!

Coffee & A Chat with Daphne from Fibre Company

I am very excited about this Zoom call on the 20th of March at 11:30am. Daphne is the heart and soul of The Fibre Company. Many of you know her yarn and have made beautiful garments and accessories. I especially loved her Foundations Collection and I know that many of you were too. The Fibre Company is now based in the stunning Lake District of England (next to Scotland and Yorkshire when it comes to beauty).

The Fibre Company yarns include Meadow, Canopy Fingering, Cumbria Fingering, Road to China Light, Arranmore Light, Acadia, Luma, Lore and Cumbria. I am hoping to add Amble very soon.

Don't forget to sign up for the Zoom Classes and coffee with Bev from Boo Knits., Rowan Preview or Daphne from Fibre Company. To sign up just send me an email and I will send you the invitation.
