### **What's In & Expected**

A lot of Lopi has arrived in glorious colors to add to our neutral palette that was already in store. The colors are amazing and with one of the latest books from MDK featuring Mary Jane Mucklestone the possibilities are endless. This pattern book opens up the Lopi with scarves, hats and sweaters on a larger needle. So many possibilities!

Chai has arrived from Berroco. This delightful Flax and Silk blend adds a crisp definition to the stitches and is lovely when blocked. There are some great colors in this yarn which are on the softer side.

### **Spin In - April**

Join us as we begin to talk about what to do with all the wonderful yarn that we have spun. If you are like me you will have a lot of spun yarn and no idea what to do with it. I pulled out some of my early spinning and have knitted a shawl. Bring some of your handspun and we can have a lively discussion about knitting and weaving with our handspun on the 30th.

### **LYS Day - April 30th**

Join me on the 30th to celebrate the Local Yarn Store Day. I will have two new designs being released that day along with some colorful kits all ready to go home with you. I will also be having a 30% off in stock Rowan and a deep discount on their books. This sale will be from 10am until 3pm on April 30th.

### **Kentucky Fiber Festival**

Dyed In The Wool will be closed from Noon on Friday, May 20th and all day on Saturday, May 21st so that I can attend the wonderful Kentucky Fiber Festival. I will be looking for some new fiber vendors as well as searching out interested fleece for our spinners to enjoy.

### **Revisiting An Old Favorite With New Yarn**

I enjoyed knitting the Springtime Bandit last month with a new yarn and it got me thinking. Maybe it is time to review some of my old patterns and give them a facelift. Then I thought about issuing a challenge to all of you. Pick one of my patterns that you loved working and find a new yarn to work it in. If you would like to take up this challenge let me know the pattern and the yarn you intend to use and I will enter you into the challenge. I will be giving away one \$50, two \$25 and three \$15 gift certificates, one gift to each of the six lucky entrants. Your work must be completed by the end of July so that it can be displayed in August.

### **Spin In**

Dust off your spindles and oil your wheels and join me for a Spin In. In May we will be playing with the Blending Board. If you want to blend on the board please sign up so that I can allocate time for those interested.
